

The Larry John Story

by Jim Gold

The appearance of Larry John, the biblical schizophrenic, also known as John and Larry, created a sensation in the biblical world. John—or was it Larry—was the only schizophrenic to climb Mount Sinai with Moses, and try stamping out the burning bush.

In retribution, biblical writers eradicated him. Not a mention of his name in the *Torah*, nothing in the *Pentateuch*, not an iota of Greek print in the *Septuagint*, and not even a comma in the *Hamesh Hamisha*.

Scholar claim that in the end, Aaron carried off the Larry part. . .or was it John?
